Dear Sir:

I thank you for calling my attention to the Washington medal by Bolen. We have a complete set of Bolen medals, not, however, in all the metals. We do not specialize very greatly in Washington pieces, consequently as we have limited funds, we do not care to purchase the piece you offer.

Thanking you again, I remain

Very truly yours,

Mr. Frank Brown,
Worcester, Mass.

Dear Sir:

It is a good many years since I have heard from you, and I am sorry that I can not help you out. I have no coins now at all and the Society at the present moment has no odd lots of duplicates with the exception of various Oriental coins. We cleaned out our duplicates a few months ago at one of the auction sales.

Very truly yours,

Curator
